THINGS TO DO LAKE MOHAVE

THE LAKE

Lake Mohave's 237 miles of shoreline can be enjoyed year 'round as days are almost always sunny. The terrain surrounding the lake varies from sheer cliffs of multicolored rocks to sandy beaches and secluded coves.

Noted for its water sports - swimming, skiing, scuba diving, boating and fishing - Lake Mohave also offers other recreation. Ancient Indian petroglyphs and other historical phenomena lure hikers into the mountains.

INTERESTING SIGHTS AND SIDE TRIPS

Davis Dam, which creates Lake Mohave, was completed in 1953. This earth and rock structure is 200 feet high and contains 3,642,000 cubic yards of material.

Oatman, a quaint mining town located 31 miles south of the resort is populated by burros! These descendants of the sturdy pack animals used by the early day miners now wander the streets mingling with the residents and tourists.

Lake Havasu City, home of the London Bridge, is just a 1 1/2 hour drive from the resort. This bridge was actually dismantled, transported and re-assembled as the centerpiece of an authentic English village recreated on the banks of the Colorado River. The village's shops, restaurants and pubs are well worth the visit.

If you are driving west of the resort toward the main highway to Las Vegas, a detour up Christmas Tree Pass will lead you to some especially fine petroglyphs carved by Indian tribes. The road through the pass is unpaved.

If you wish to try your hand at the gaming tables, Laughlin, Nevada has several busy casinos that are located just ten minutes from the resort.

OTHER SPORTS

18-hole golf courses are located in Bullhead City, just south of the resort, and in Laughlin, Nevada. Other 18-hole courses are located in Kingman, Arizona, and Needles, California. Both towns are approximately 30 miles from the resort.

Nearby Bullhead City High School has four paved, lighted tennis courts that are open to the public.

WILDLIFE

Lake Mohave boasts some interesting wildlife—wild burros and big horn sheep can sometimes be coaxed into posing for a picture. Roadrunners and quail are abundant.

NEARBY TOWNS

Bullhead City is located five miles from Lake Mohave Resort. Shopping and medical facilities are available. Laughlin, Nevada is located just eight miles from the resort, with casino gaming shows and shopping.
